

# Letter from the Executive Director

As Executive Director of the Southern Nevada Sports Hall of Fame, I'd like to thank you for attending our 21st Induction Ceremony. Throughout the history of our organization, we have inducted 85 individuals, two events, two organizations, four families and five teams. The Board of Trustees is proud of the accomplishments of this year's inductee class. They are a group of outstanding athletes, coaches and organizations that have represented our community at the highest level. Thanks to them for making Southern Nevada great.

Without the support of our many sponsors and benefactors, the SNSHOF would not be able to succeed. I'd like to extend a special thank you to Cliff Findlay and the Findlay Automotive Group for their continued support. You are truly honoring the vision that Rich Abajian established for our organization. Rich's vision is still very much alive through our efforts, and we continue to honor his legacy.

Over the past 21 years, the SNSHOF has awarded 52 scholarships to Clark County students. This year, we will award five college scholarships to graduating seniors that will be attending college in the fall. These recipients have set a standard among their peers by being athletes, leaders on the field and in the classroom, while also maintaining an outstanding GPA. They have also actively worked in our communities to serve those in need. Congratulations to our winners!

As we look forward to the future, there are numerous athletes and organizations that are deserving of a spot in our Hall of Fame. One only needs to read the reports or watch the news to see many Southern Nevada athletes that are making their mark in the sports world. Las Vegas is truly becoming a major market for sports in the nation.

In closing, thank you for your continued support of the Southern Nevada Sports Hall of Fame. The 45 men and women that serve on our Board of Trustees are proud of our community and will stay committed to making it even greater in the future.

Sincerely,
